LOGIQIDS OLYMPIAD

S. Ganesh has achieved outstanding academic success in the Logiqids Olympiad conducted by IIT Bombay, scoring 160 out of 168 marks with 100% accuracy in the second stage examination on 20th March, 2025. This impressive performance earned him the top rank in his school and an International third rank globally, out of 16.9 lakh participants from 12 countries. This remarkable feat showcases Ganesh's exceptional problem-solving skills and logical reasoning abilities, reflecting his hard work and dedication to academic excellence. Such achievements highlight the importance of nurturing talent and providing opportunities for students to excel in STEM fields.

SUMMER ENRICHMENT PROGRAM

The Summer Enrichment Program (SEP) is a prestigious annual initiative that provides high-achieving students with an advanced STEM immersion experience. Komma Raaga Laasiya participated at the IISc Bangalore camp, which commenced from 4th May, 2025, where participants engaged in over 35 lectures by esteemed professors, covering diverse subjects such as physics, artificial intelligence, and computational biology. Under faculty mentorship, students worked on projects, culminating in a comprehensive report showcasing their findings and learning outcomes. The program offered access to state-of-the-art labs, including those equipped with sophisticated electron microscopes, providing students with rare hands-on experience and insights into STEM fields. This exposure aims to enhance their academic profiles and inspire future research careers.

RAISING A MATHEMATICIAN TRAINING PROGRAM (RAM TP)

Two students S. Ganesh and C. Dharun Prasad from our school were selected for the 12th edition of the Raising A Mathematician Training Program (RAM TP) held at Vedic Vidya Kendra, Puducherry, from 18th May to 24th May, 2025. Out of 100 students selected internationally, our school's representation is a notable achievement. The program provided a unique opportunity for our students to engage with like-minded peers from across India, develop their mathematical skills, and excel in a competitive environment.

JEE ADVANCED ACHIEVERS

Three students have achieved a remarkable feat by clearing the JEE Advanced examination, securing coveted spots in prestigious Indian Institutes of Technology (IITs). The achievers are Jean Marin Arnalt Stalin, Lakshmi Priya M, and Suvicha S, who demonstrated exceptional problem-solving skills, analytical thinking, and a deep understanding of complex concepts. This accomplishment reflects their hard work, perseverance, and commitment to excellence.

ENVIRONMENT DAY

On 5th June, 2025, our school celebrated Environment Day with a range of activities aimed at raising awareness about environmental conservation. Students participated in project presentations, model-making, and classroom decorations, while also engaging in a micro-activity event and a sit-and-draw competition. The Principal and Head of Science Department delivered impactful speeches highlighting the importance of protecting the environment, followed by a tree plantation drive where students planted saplings in the school campus. The event concluded with the distribution of certificates after uploading tree plantation images on the CBSE website, emphasizing the school's commitment to environmental sustainability and community involvement.

FOEX – 2025

DAV BH&L School's 'Kala Kendram – The Festival of Expression' on 14th June, 2025, was a grand success, showcasing students' diverse talents in various artistic fields from classes III to XII. The event featured mesmerizing dance performances, soulful singing, and impressive art displays, reflecting the students' creativity and dedication. It provided a platform for self-expression, confidence, and teamwork, fostering the spirit of creativity and cultural richness that DAV BH&L embodies. The relentless efforts of participants, teachers, and organizers made the event a vibrant celebration of student talent.

WORLD BLOOD DONOR DAY

*World Blood Donor Day was celebrated on 14th June, 2025, with a theme "Give Blood, Give Hope: Together We Save Lives". The event was attended by over 500 NCC cadets and students from classes VI to VIII in DAV BHFL School, Ranipet & Jawaharlal Nehru Park on the theme **Give Blood, Give Hope: Together We Save Lives!***

The principal highlighted the importance of blood donation, while Ms. Shaivy Varghese (PGT Biology) and Mr. Lakshminarayanan R. (NCC - Caretaker) delivered informative and motivational talks. Student performances, including skits by NCC cadets, emphasized the life-saving impact of blood donation. The event culminated in a pledge ceremony, where students raised red blood-drop cards, and a public awareness rally near Jawaharlal Nehru Park, successfully promoting the cause.

INTERNATIONAL YOGA DAY

The school celebrated International Yoga Day on 21st June, 2025 with great enthusiasm, organizing various activities to promote physical, mental, and spiritual well-being among students and staff. Mass yoga sessions were conducted, guided by experienced instructors, where participants practiced different asanas and breathing techniques. The event highlighted the importance of yoga in maintaining a healthy lifestyle and managing stress. Students actively participated, showcasing their enthusiasm for yoga and its benefits.

INTRA SCHOOL YOGA CHALLENGE

The school celebrated the International Day of Yoga (IDY) on June 21, 2025, with great enthusiasm, organizing an Intra-School Yoga Challenge Competition for students of Classes III to XII. Held on June 17-18, 2025, the competition saw participants showcasing their yoga skills, with top performers awarded medals. The event aimed to promote awareness about yoga's benefits and inspire students to adopt a healthy lifestyle.

EACH ONE PLANT ONE

On 21st June, 2025, in celebration of the International Day of Yoga, our school organized a yoga session for staff & students followed by the Karma Yoga initiative, where saplings were planted in the school campus. This event promoted mindfulness, spiritual growth, and environmental stewardship, embodying the theme "Do Yoga, Plant a Sapling."

WORLD MUSIC DAY

Music Club celebrated World Music Day with a series of engaging activities. A Poster Making Competition was held on 21st June, 2025 for Classes III to V, where 52 students showcased their artistic talents with the theme "My Dream Music." This was followed by a special school assembly on 23rd June, 2025, featuring musical performances, speeches on the role of music in everyday life, and renditions of Carnatic and folk songs. The event also included a fun "Find the Tune" activity, adding excitement and audience participation. The celebration concluded with a prize distribution ceremony, where winners of the poster competition were awarded. The event provided students with a joyful and educational experience, highlighting the importance of music in student life and showcasing the Music Club's efforts in organizing a meaningful celebration.

STUDENT COUNCIL ELECTION

*As part of the Social Science Club's annual activities, our school conducted the **Student Council Election** on 25th June, 2025. The event aimed to provide students with a hands-on understanding of the democratic process and the significance of leadership in a school environment.*

*Students of **Class 9B** took an active role in organizing and participating in the election, gaining valuable insights into the electoral procedure, campaigning, and voting methods. Housemasters and housemistresses nominated deserving candidates for both **school leadership roles** and **house-level positions**, ensuring fair representation from all houses.*

*The election saw enthusiastic participation from **Classes III to XII**, with students casting their votes responsibly. The event successfully nurtured a spirit of **democracy, responsibility, and leadership** among the students, aligning well with the core objectives of the Social Science Club.*

SALAD DAY AND SALAD WEEK CELEBRATIONS

“Let food be thy medicine and medicine be thy food.” – Hippocrates

As part of our commitment to nurturing healthy food habits and practical learning, the Department of EVS organized Salad Day for Class III and Salad Week for Class V in June 2025, promoting healthy eating habits and practical learning. During Salad Week (June 23-27, 2025), Class V students explored various salad themes, including fruit, green, and sprout salads, sharing ingredients, nutritional facts, and presentation styles. This activity sparked curiosity and discussions on the benefits of essential food groups. On Salad Day (25th June, 2025), Class III students enthusiastically showcased their vibrant salads, identifying vitamins and minerals and explaining health benefits. Both events integrated classroom learning with real-life practices, fostering awareness of healthy eating, public speaking skills, and creative expression, ultimately promoting a lifetime of wellness.

SUBJECT SPECIFIC TEACHER ORIENTATION

The DAV Group, Chennai, organized a Subject Specific Teacher Orientation [SSTO] for teachers, focusing on enhancing teaching methodologies and typology of questions to be tested in exams. The program held in the first week of June conducted to equip educators with innovative classroom strategies and interactive tools. These programs typically cover topics such as child development and pedagogy, language proficiency, mathematics, environmental studies, and assessment techniques. Such initiatives demonstrate the DAV Group's commitment to empowering teachers with the necessary skills and knowledge to excel in their profession.

HEAL TALKS

Srinisha S. of Class X-A participated in the HEAL Talks (2nd Edition), conducted by D.A.V. Kala Kendram, the Creative Arts Academy of D.A.V. Groups, Chennai, on 21st June 2025. She has brought laurels to our school by winning the Third Prize (2nd Runner Up) in this prestigious inter-school event. We congratulate her for her outstanding performance and commendable effort in representing our school.

Next Edition to be continued.....
